

## 2012 CoSIDA Sponsor Directory

Over the years, CoSIDA has depended heavily on the support of their corporate partners and sponsors to help provide a successful annual convention and yearly organizational funding support. Over the years, these partners have been tremendously supportive of CoSIDA and our missions. In preparing for the 2012 Convention in St. Louis, despite continuing challenging economic times, these partners and sponsors- 57 organizations in total- have responded with outstanding support. From an organizational standpoint we owe them our sincere thanks and hope that you will also say "thank you."

**\*\* refers to groups that are considered a 2012 convention and 2012-13 academic year supporter. No such notation refers to those groups who are convention specific sponsors.**
